Edit Inspection

- Inspections default to 'Pending' status if there is no Breach or Defect noted during the inspection.
- If there is a breach or defect noted, there is an option to log "new breach" or "new defect" as part of inspection.
- Publish Inspection with no breach or defect default to Inspection Status to "Closed".
- Publish Inspection with either breach or defect defaults Inspection Status to "Open".
- **Note:** An Open inspection halts the automatic progress licence from the 'Sign Off' period of 90 days into 'Guarantee Period' Publish if completed.

Click 'Confirm'. The number of Breaches and Defects can be seen in the inspection details.
