Title : Payment Approval Stage		
Reference:	26	
Revision:	1	
Date:	21/03/17	

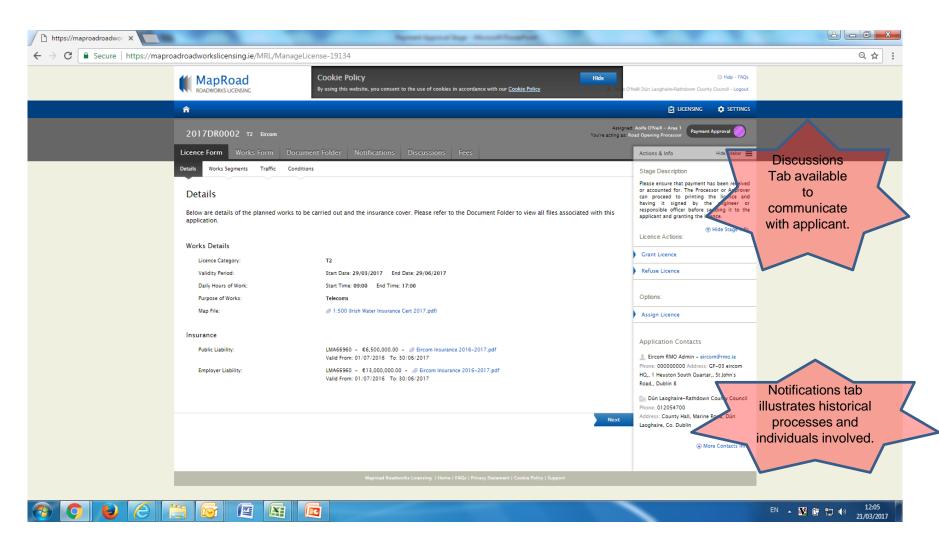

When an application is assigned to the user, an email notification is issued with relevant link and application number.

All applications in Payment Approval are available to view under Licensing in the Payment Approval Stage. Select relevant license.

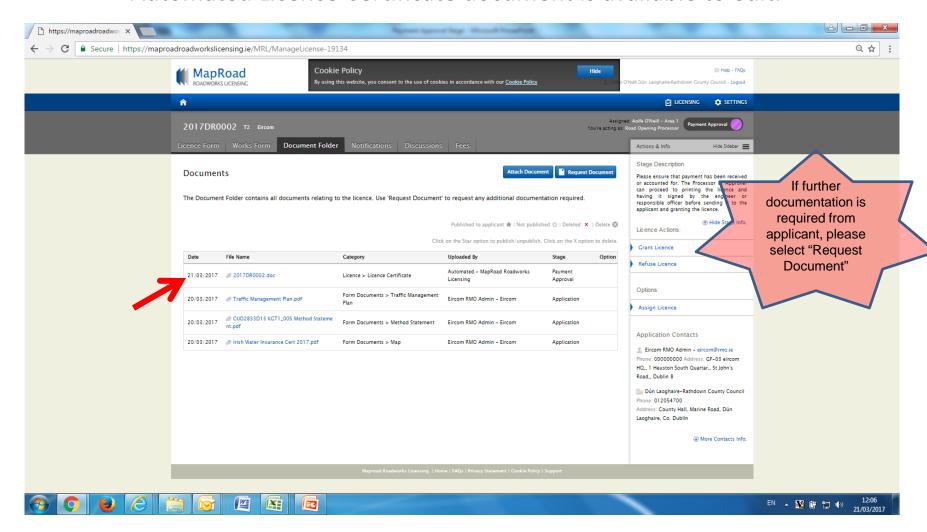

Application defaults open to the "Licence Form", "Details" tab. All tabs are available to review.

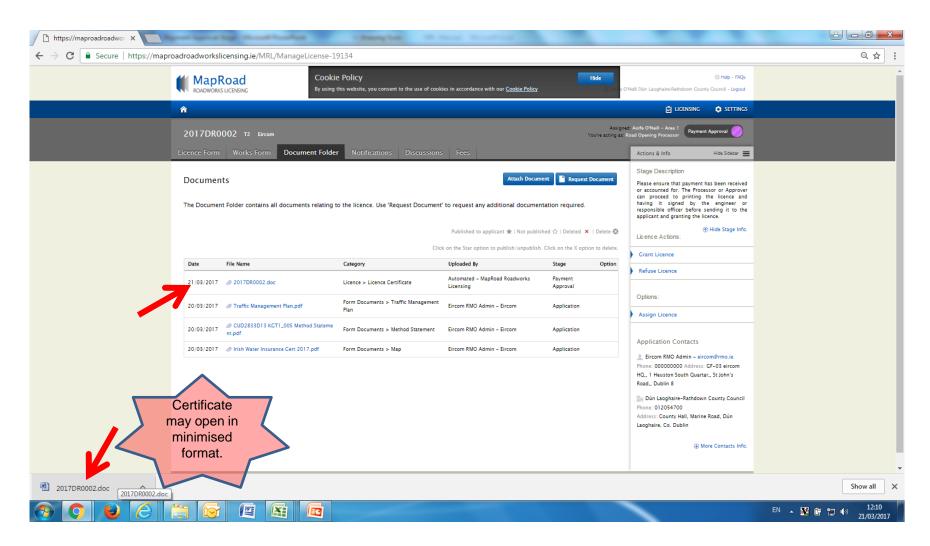

To Upload Licence

Please select "Document Folder".

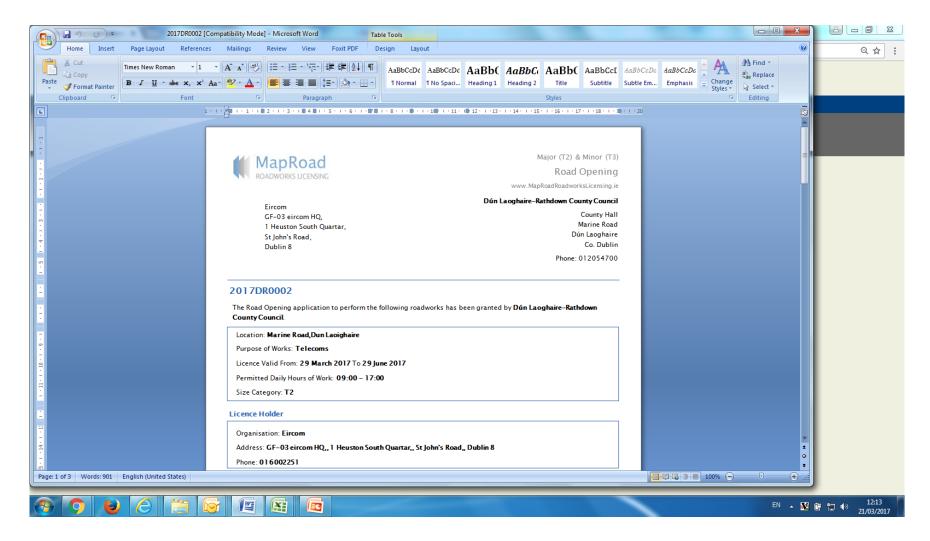

Automated Licence Certificate document is available to edit.

Open the Licence Certificate document.

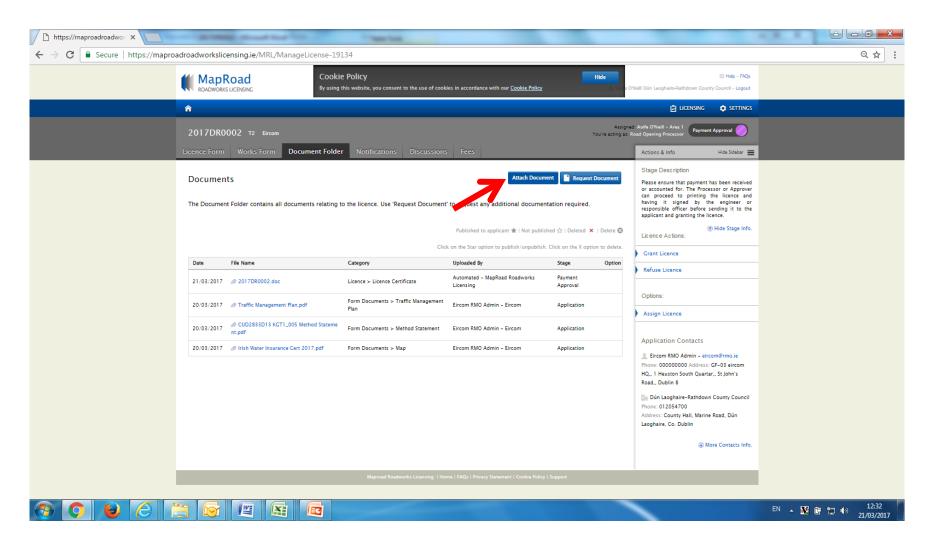

The licence document contains all relevant information including conditions.

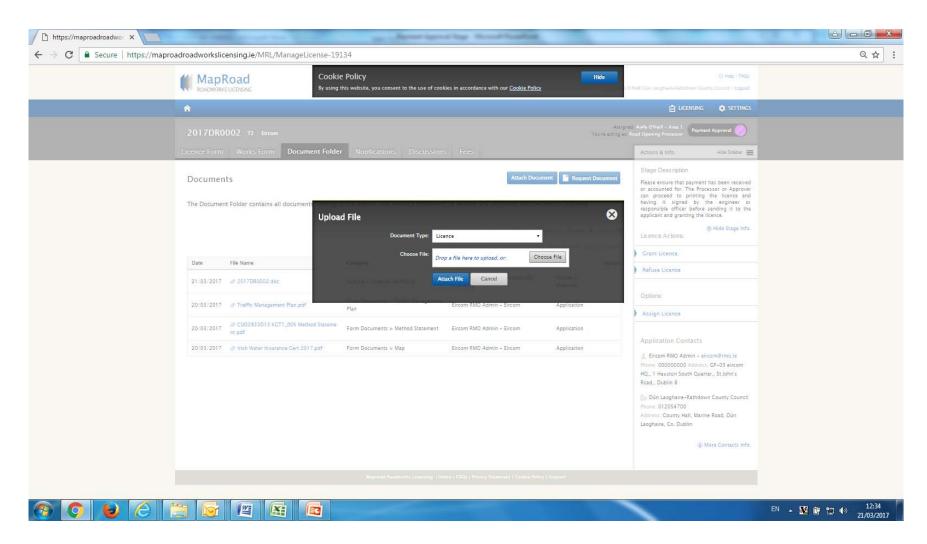

- •If your local authority does not require a license to be signed, please save the word document and select Attach Document to upload.
- •If your local authority requires a signed license, please print document, sign and scan to save new document in order to upload.

Please select "Attach Document" to upload licence.

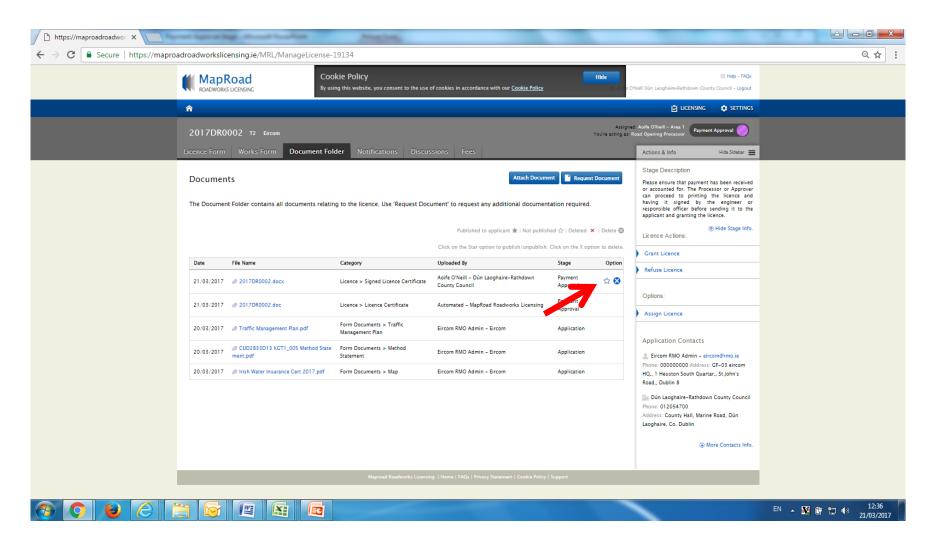

Complete mandatory fields.

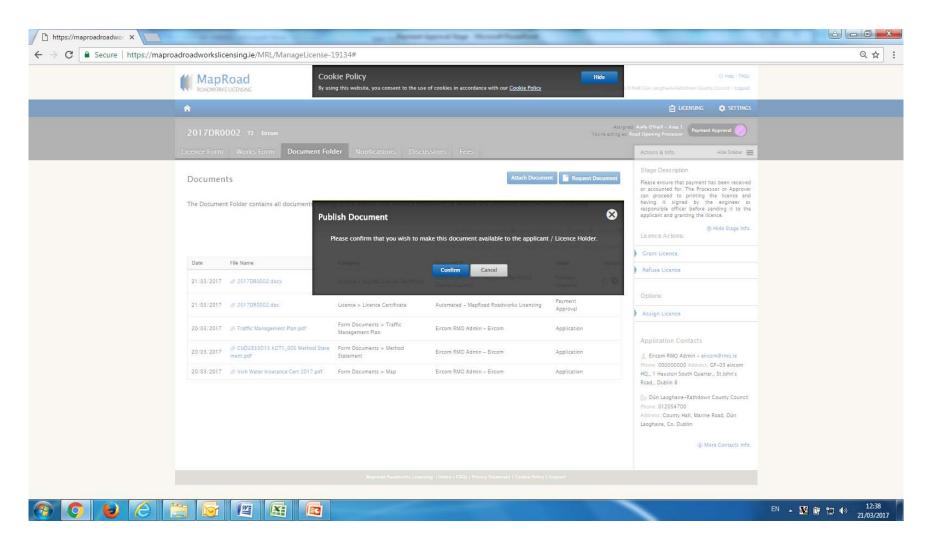

Select "licence". Choose your licence document and select "Attach File".

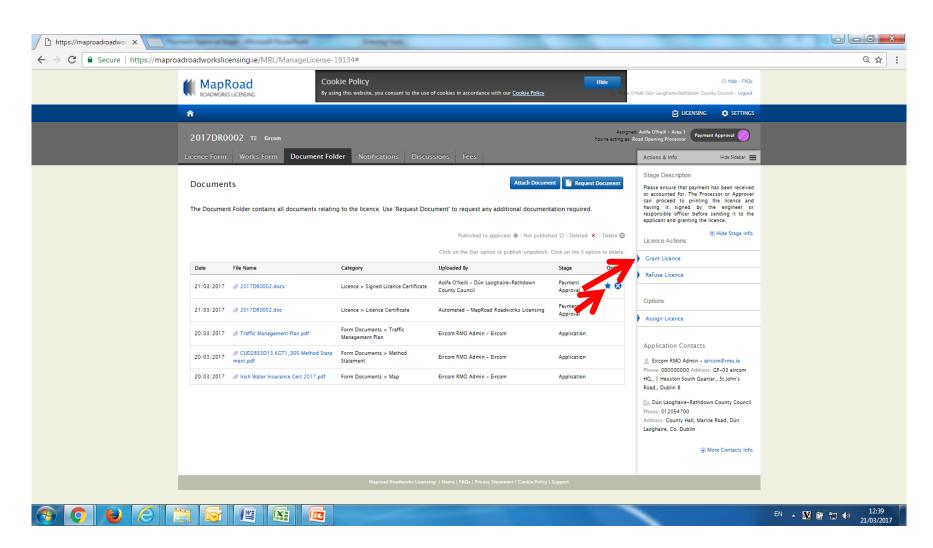

Select icon to publish to applicant.

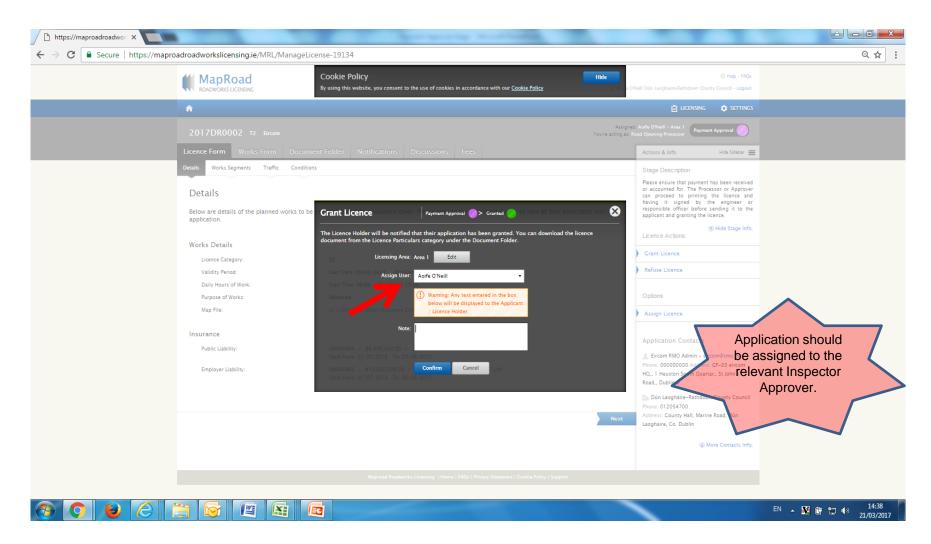

Select "Confirm" to complete publishing.

Icon identifies document is published to applicant. Please select "Grant Licence".

Pop up box allows you to reassign to relevant Inspector Approver. Please select "Confirm". Application progresses to "Granted" stage.
