The screenshot displays the MapRoad Roadworks Licensing web application. The browser address bar shows the URL: <https://maproadroadworkslicensing.ie/MRL/ManageLicense-19134>. The page header includes the MapRoad logo, a Cookie Policy notice, and user information: "Assigned: Anife O'Neill - Area 1" and "You're acting as: Road Opening Inspector Approver".

The main content area is titled "2017DR0002 T2 Eircom" and shows the "Licence Form" tab selected. The "Works Programme" section is active, displaying a calendar grid for March, April, May, and June 2017. A red arrow points to the text "Validity Period: 29/03/2017 -> 29/06/2017" above the calendar. The calendar shows work days as blue blocks, with a "Block / Unblock day(s)" button at the bottom.

The right sidebar contains a "Stage Description" section with the text: "The licence has been granted. On the validity start date, the licence will be automatically pushed to the next stage - Licence Valid. This will allow for the status of reinstatement / resurfacing work to be updated and for the Inspector to prepare for any inspections." Below this are "Licence Actions" (Withdraw Licence, Assign Licence) and "Application Contacts" for Eircom RMO Admin and Dún Laoghaire-Rathdown County Council.
