

Title:	Editing Works Complete To Notify Local Authority
Reference:	33
Revision:	0
Date:	27/03/2017

When opening the licence select the “Works Form” tab. Work Segment exclamation will highlight “Not Complete”. On scrolling over excavation, text box will indicate reinstatement status. Double click the excavation marker/polyline.

Select "Edit" to activate excavation specifics.

The screenshot displays the 'Maproad Roadworks Licensing' web application. The main content area is titled 'Works Segments' and shows details for an excavation on 'Min Street Middleton' with road segment number 'R907-9'. A map shows the location with a blue marker. An 'Excavation Code: YQH4D2' modal is open, displaying 'Edit Excavation Details'. The modal includes a 'Reinstatement Incomplete' status and buttons for 'Edit', 'Complete', and 'Works Not Done'. A red arrow points to the 'Edit' button. The right sidebar contains 'Stage Description', 'Licence Actions', and 'Application Contacts'.

Excavation Code: YQH4D2

Edit Excavation Details

Below are the road excavation details. Click edit to make any changes required.

*Length x Width x Depth - (Karb) (Matras)

Roadway - Asphalt / Bitumen Bound Surface

Geometry: General Excavation

Measured: 1.00 x 1.00 x 1.00 - [0.00]

✖ Reinstatement Incomplete

If works are not done please see Manual No 20

If the works were complete please see Manual No 07

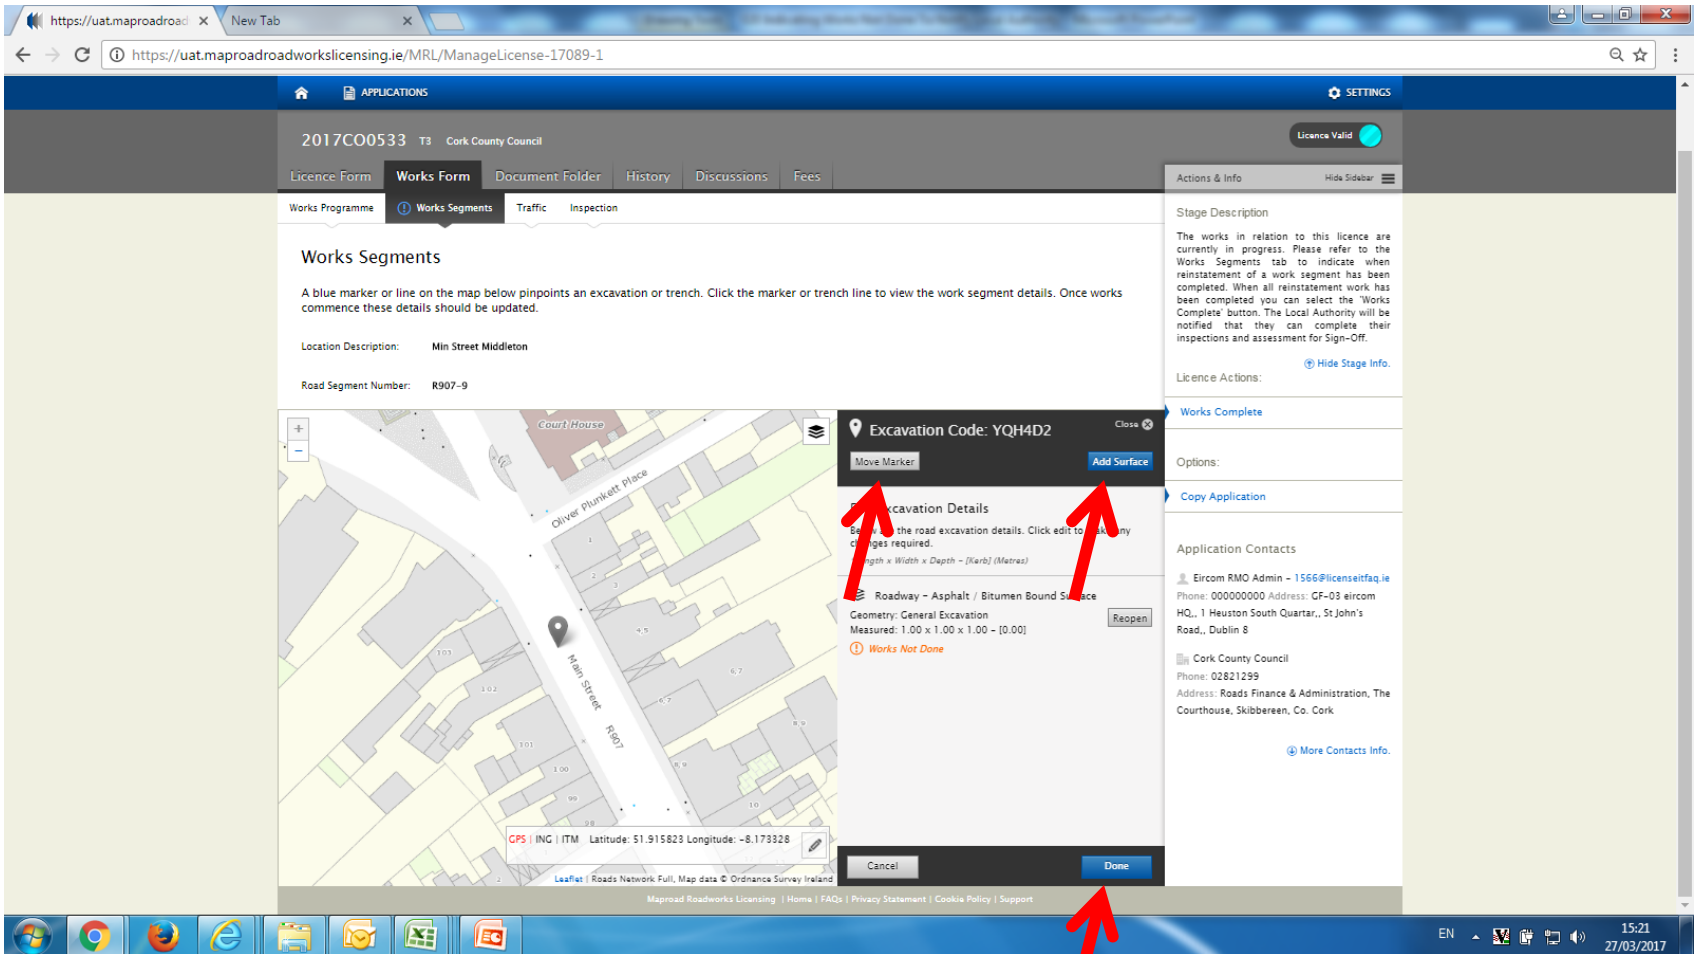

Excavation dimensions are enabled to you to edit.
Please adjust accordingly and select “Save”.

The screenshot displays a web application interface for managing roadworks licenses. The browser address bar shows the URL: <https://uat.maproadworkslicensing.ie/MRL/ManageLicense-17089-1>. The application header includes the license number 2017CO0533 and the user 'Cork County Council'. The main navigation menu includes 'Licence Form', 'Works Form', 'Document Folder', 'History', 'Discussions', and 'Fees'. The 'Works Form' is active, showing 'Works Segments', 'Traffic', and 'Inspection' tabs. The 'Works Segments' tab is selected, displaying a map of an excavation site on Main Street, R907. The map shows a blue marker indicating the excavation location. The 'Excavation Code: YQH4D2' is displayed above the map. The 'Edit Surface Details' form is open, allowing users to edit the work segment surface details. The form includes the following fields:

- Part of Road: Roadway
- Geometry: General Excavation
- Existing Roadway Type: Asphalt / Bitumen Bound Surface
- Length (m): 1.00
- Width (m): 1.00
- Depth (m): 1.00
- Kerb Affected (m): 0.00

The 'Save' button is visible at the bottom of the form. The right sidebar contains 'Stage Description', 'Licence Actions', 'Works Complete', 'Options', and 'Application Contacts'. The 'Application Contacts' section lists 'Eircorn RMO Admin - 1566@licenseitfaq.ie' and 'Cork County Council'.

“Move Marker” and “Add Surface” options available also.
“Done” to close text box.

To Move marker, Select “Move Marker”, select the marker on the map and relocate in relevant location. Select “Confirm” to save changes.

The screenshot displays the Maproad Roadworks Licensing web application. The browser address bar shows the URL: <https://uat.maproadroadworkslicensing.ie/MRL/ManageLicense-17089-1>. The application header includes the user name '2017CO0533 T3 Cork County Council' and a 'Licence Valid' status indicator. The main navigation menu includes 'Licence Form', 'Works Form', 'Document Folder', 'History', 'Discussions', and 'Fees'. The 'Works Form' is active, showing 'Works Segments' details for 'Min Street Middleton' (Road Segment Number: R907-9). A map displays an excavation marker with a popup showing details: Excavation Code: YQH4D2, Roadway - Asphalt / Bitumen Bound Surface, Length (m): 1.00 | Width (m): 1.00 | Depth (m): 1.00, Kerb Affected (m): 0.00, Reinstatement Incomplete. A 'Move Excavation Location' dialog box is open, instructing the user to 'Drag and drop the excavation marker to a new location and then confirm that you want to save the marker in this new location.' The dialog shows the current Excavation Code: YQH4D2 and provides 'Back' and 'Confirm' buttons. The right sidebar contains 'Stage Description', 'Licence Actions', 'Works Complete', 'Options', 'Copy Application', and 'Application Contacts'.

Proceed to mark works Complete.

The screenshot displays the 'Maproad Roadworks Licensing' web application. The main content area is titled 'Works Segments' and shows details for an excavation with code 'YQH4D2'. The location is 'Min Street Middleton' and the road segment number is 'R907-9'. A map shows the excavation site with a blue marker. The details panel includes 'Excavation Code: YQH4D2', 'Edit Excavation Details', and 'Roadway - Asphalt / Bitumen Bound Surface'. The status is 'Reinstatement Incomplete'. The sidebar on the right contains 'Licence Valid' status, 'Stage Description', 'Licence Actions', and 'Application Contacts'.
