More Contacts Info.

Select the user from the dropdown list and then select “Assign Licence”

The screenshot displays a web application interface for license management. The main window shows a map of a residential area with a blue marker on a road segment. A modal window titled "Assign Licence" is open, allowing the user to select a licensing area and a user. The "Assign User" dropdown menu is open, showing a list of users, with "Hugh Houlihan" selected. The background shows a map of a residential area with a blue marker on a road segment. The sidebar on the right contains application details, including the stage description, application contacts, and application information.
