The screenshot displays the MapRoad ROADWORKS LICENSING web application interface. At the top left is the MapRoad logo. The top right corner contains a user profile icon, the text "RMO Roscommon Admin Account Roscommon County Council", and a "Logout" link. Below the header is a navigation bar with icons for Home, Applications, External Licences, Licensing, and Settings. The main content area is titled "Licensing" and has a sub-tab "Managed by You". A filter bar at the top of the map area includes dropdown menus for "Select Submitted Year", "Select Licensing Area", "Select User", and "Select Licence Type", along with "Apply" and "Clear" buttons. The map itself shows a region in Ireland, primarily Roscommon County, with several blue location markers. A note on the map states: "Note: T1s or licences without segments will not appear in map view. Licences with multiple segment locations are averaged to one marker point. Click on a point to open the licence." The map also shows various towns and roads, including Carrick-on-Shannon, Elphin, and Longford. At the bottom right of the map, there is a GPS information box showing "Latitude: 53.597395 Longitude: -7.879944".
