Licence Form Works Programme Document Folder Notifications Discussion Fees

Actions & Info Hide Sidebar

Licence Actions:

- Submit for Maintenance Conditioning
- Works Not Complete**

Stage Description:

The Licence Holder has indicated that works have been completed. Please confirm that works has been done to a satisfactory standard. The Inspector Approver can now push the licence to Maintenance Conditioning / Planning. If there are breaches or defects that have not been satisfactorily resolved the Inspector Approver can use the 'Works Not Complete' option and enter a comment. If reinstatement work has not been satisfactorily complete the Inspector Approver should first Reopen the relevant work segment and then click 'Works Not Complete'. The licence will then be pushed back to the Licence Holder to address the issues highlighted.

Options:

- Takeover
- Assign Licence

A comment can be included in the box above which will be seen by the applicant when the local authority select “Confirm”. This action will move the application back to the “ In Progress” stage. NB The assigned user remains in your name.

The screenshot shows a web application interface for managing applications. The top navigation bar includes 'APPLICATIONS', 'LICENSING', 'ORGANISATION', and 'ACCOUNT'. The main header displays '2015CE0123 T3 Gas Networks Ireland' and 'Assigned: Barry Conway - Ennis'. The user is acting as 'Road Opening Inspector Approver'. The interface is divided into sections: 'Licence Form', 'Works Programme', 'Document Folder', 'Notifications', 'Discussion', and 'Fees'. A modal dialog box titled 'Works Not Complete' is open, allowing the user to confirm that the licensing authority does not consider the works satisfactorily completed. The dialog includes a 'Warning' box stating: 'Warning: Any text entered in the box below will be displayed to the Applicant / Licence Holder.' The dialog also features a 'Confirm' button and a 'Cancel' button. The background page shows details for the licence, including 'Works Details' (Size Category: T3, Purpose of Works: Lay Domestic Service, Map File: 1_500 (3 College Grove), Validity Period: 26/11/2015 to 30/04/2016) and 'Insurance' (Public Liability: 14PL244686XA - €25,000,000.00 - Gas Networks Public Liability.pdf; Employer Liability: DU651601006 - €30,000,000.00 - Gas Networks Employers Liability.pdf). The 'Traffic Management' section shows a TMP File: College Grove 3 Clonmore road Ennis Clare 40670482 PE-RN-TMP-793-REV00.pdf.
