When opened Traffic Management Details are seen as below

The screenshot displays the 'View Traffic Management Plan' page in a web browser. The browser address bar shows the URL: <https://maproadroadworkslicensing.ie/MRL/ManageLicense-19134>. The page has several tabs: Licence Form, Works Form, Document Folder, Notifications, Discussions, and Fees. The 'Traffic' tab is active, and the sub-tab 'Works Details' is selected. The main content area is titled 'View Traffic Management Plan' and includes a 'Request Change' button and a 'Back' button. Below this is a list of traffic management details:

Traffic Management Plan Name:	Two way street
Traffic Management Type:	Two-way Traffic
TMP document:	Traffic Management Plan.pdf
Are amenities or parks affected or adjacent to the works?:	Yes Total No: 1
Traffic Management Inspection Routine:	Mon: 09:00
Advance Signage Distance (m):	3
Number of Advanced Signs:	2
Minimum Advance Sign Visibility (m):	6
Size of Signs (mm):	50
Height of Cones (mm):	50
Taper:	45 Degrees
Taper Cone Spacing (m):	5.00
Unobstructed Width?:	No
Sideways Safety Zone (m):	2.0
Longitudinal Safety Zone (m):	1
Longitudinal Cone Spacing (m):	4
Maximum Length of Shuttle (m):	10
Method Statement:	CUD2833D13 KGT1_005 Method Statement.pdf

A red starburst callout with a blue border is positioned over the 'Request Change' button, containing the text: 'If change to TMP is required select "Request Change"'. The right-hand side of the page shows a sidebar with 'Actions & Info' and 'Licence Actions' sections. The 'Licence Actions' section includes buttons for 'Submit for Approval', 'Refuse Licence', and 'Assign Licence'. The 'Application Contacts' section lists contact information for Eircom RMO Admin and Dún Laoghaire-Rathdown County Council.

Assets Affected – Any assets affected by the works will be listed here

Standard Conditions- Conditioner can view the standard conditions which will be applicable to this licence

The screenshot displays a web application interface for managing licenses. The browser address bar shows the URL: <https://maproadroadworkslicensing.ie/MRL/ManageLicense-19134>. The application header includes 'APPLICATIONS', 'LICENSING', and 'SETTINGS'. The main content area shows the license details: '2017DR0002 T2 Eircom'. The 'Standard Conditions' tab is active, displaying a list of conditions:

- 1 : Roads**
No excavation shall be permitted post commencement of road or footpath restoration work.
- 2 :**
In the case of underground services and ducts minimum cover of 600mm shall be provided.
- 3 :**
No new underground or overhead services shall be laid in a manner that would interfere with any existing service without the prior consent from the existing service provider.
- 4 :**
The proposed service shall be resited by the applicant at their own expense in the event of road widening or otherwise.
- 5 :**

The right-hand sidebar contains 'Actions & Info' and 'Application Contacts'. The 'Stage Description' section provides instructions: 'Please review the application and add any specific conditions that are to apply to the licence. The Request Edit button on the licence form tabs can be used to highlight any changes you want the applicant to make to the application. A conditioning department can indicate they have finished conditioning by selecting the Department Sign-off option. All pending conditions must be processed by a Conditioner Approver before the application can be submitted for approval.' The 'Licence Actions' section includes 'Submit for Approval', 'Refuse Licence', and 'Assign Licence'. The 'Application Contacts' section lists 'Eircom RMO Admin - eircom@rmo.ie' and 'Dún Laoghaire-Rathdown County Council'.

Conditions – If the Conditioner wishes to add specific conditions to the licence they select “Add Condition”, also if the Conditioner wants other Conditioning Departments to condition the licence select “Invite Departments”.

The screenshot shows the MAPROADWORKS LICENSING application interface. The main content area is titled "Conditions" and contains the following text:

All Standard Licensing Conditions are automatically attached to this licence. If you wish to add any specific conditions to the licence, select the Add Condition button. All new conditions will need to be approved for inclusion on the licence.

Conditioning Departments

Conditioning Group	Person In Charge	Signed Off By	Options	Show on page
Engineering Department	No person in charge of group	This group has not signed off	Department Sign-off	<input checked="" type="checkbox"/>
Traffic Department	No person in charge of group	This group has not signed off	Department Sign-off	<input checked="" type="checkbox"/>

Below the table are two buttons: "Add Condition" and "Invite Departments".

The right-hand sidebar contains the following sections:

- Stage Description:** Please review the application and add any specific conditions that are to apply to the licence. The Request Edit button on the licence form tabs can be used to highlight any changes you want the applicant to make to the application. A conditioning department can indicate they have finished conditioning by selecting the Department Sign-off option. All pending conditions must be processed by a Conditioner Approver before the application can be submitted for approval.
- Licence Actions:** Submit for Approval, Refuse Licence
- Options:** Assign Licence
- Application Contacts:** Eircom RMO Admin – eircom@rmo.ie, Dún Laoghaire–Rathdown County Council

Two red star-shaped callouts are overlaid on the interface:

- Left callout: "If a condition needs to be added please see Manual Reference No 16"
- Right callout: "If a Department needs to be invited please see Manual Reference No 30"

In order to forward the licence for Approval select “Submit for Approval”

The screenshot shows a web browser window with the URL <https://maproadroadworkslicensing.ie/MRL/ManageLicense-19134>. The application has a top navigation bar with tabs: Licence Form, Works Form, Document Folder, Notifications, Discussions, Fees, and Actions & Info. Below this is a secondary navigation bar with tabs: Works Segments, Works Details, Traffic (selected), Assets Affected, Standard Conditions, and Conditions. The main content area is titled 'Traffic' and contains a 'Request Change' button. A text block explains that the following are proposed traffic management arrangements. A green checkmark indicates that the applicant has declared that NO Road Engineering Assets will be affected during the works. Below this is a section for 'Active Traffic Management Plans' with a table:

Associated TMP Name	Date added to Licence	Stage Created	Options
Two way street	20/03/2017	Application <input type="radio"/>	→

At the bottom of the main content area are 'Previous' and 'Next' navigation buttons. The right sidebar contains a 'Stage Description' section with instructions to review the application and add specific conditions. Below this is a 'Licence Actions' section with a 'Submit for Approval' button highlighted in grey, and a 'Refuse Licence' button. There is also an 'Options' section with an 'Assign Licence' button. The 'Application Contacts' section lists contact information for Eircom RMO Admin and Dún Laoghaire-Rathdown County Council. A 'More Contacts Info' link is also present.

Select the assigned user and then select Confirm

The screenshot displays the 'Maproad Roadworks Licensing' web application interface. The main content area is titled 'Traffic' and contains a 'Request Change' button. A modal dialog box titled 'Submit for Approval' is overlaid on the page. The dialog box has a progress indicator showing 'Conditioning' (yellow) and 'Approval' (orange). The text inside the dialog reads: 'Confirm the conditioning of this licence is complete and the Approval process can begin.' Below this text, there is a date field '20/03/2017', a 'Licensing Area' dropdown set to 'Area 1', and an 'Assign User' dropdown set to 'DLRD RMO Admin Account'. There is also a 'Note' text area and 'Confirm' and 'Cancel' buttons at the bottom. The background shows the 'Traffic' section with a 'Request Change' button and a 'Stage Description' on the right. The footer of the page includes navigation links and the date '20/03/2017'.
